Wednesday 4th June

Green Drinks - The Community Garden is pleased to be supporting Plastic Free Okehampton in this warm-up event for The Big Green Week. Keep an eye on our Facebook page/group for updates.)

Grow With Us: Volunteer at Okehampton Community Garden

Looking for a way to connect with nature, meet new friends, and make a real difference in your community?

Our community garden is more than just a patch of green—it's a place where every hand helps, and every effort blooms into something beautiful.

We're not just looking for gardeners! If you have a passion for crafting, building, or fundraising, we need your talents too.

Whether you're great at organising events, making things for the garden, or helping us raise vital funds, your skills will help our garden thrive.

No experience? No problem!

Whether you're getting your hands dirty in the soil or helping behind the scenes, every contribution counts.

You'll leave with new skills, fresh air, and the joy of making a real difference in your community.

Come grow with us—because together, we can make something amazing.

Volunteer days Wednesday, Friday and Saturday 11am - 2pm
