CARPARK UPDATE

Our new car park is complete!

At the beginning of October, the transformation began, and it was amazing to watch. We're thrilled to share some progress photos and the finished result with you!

This upgrade will make the garden much more accessible and welcoming for everyone visiting and volunteering here.

A huge thank you to everyone involved, especially Dave Hockin Plant Hire, and to our wonderful community for your patience and support while the work took place. We can't wait to see you soon!

Break In:

A Message from Our Community Garden Committee

We're deeply saddened to share that our Community Garden was broken into on 22nd October. Some items and a small amount of money were stolen.

As a non-profit run entirely by volunteers, this has been very upsetting for us all.

Our garden has always been a place of kindness, care, and connection - built by the community, for the community. While this news is disheartening, it will not stop us from continuing the good work we do together.

We've reported the incident to the police, and we'll be taking steps to strengthen security.

We're so grateful for everyone's continued support, encouragement, and love for the garden. It means more now than ever.

We are open on...

Friday 11am - 2pm

Sunday 11am - 2pm

Grow With Us: Volunteer at Okehampton Community Garden

Looking for a way to connect with nature, meet new friends, and make a real difference in your community?

Our community garden is more than just a patch of green—it's a place where every hand helps, and every effort blooms into something beautiful.

We're not just looking for gardeners! If you have a passion for crafting, building, or fundraising, we need your talents too.

Whether you're great at organising events, making things for the garden, or helping us raise vital funds, your skills will help our garden thrive.

No experience? No problem!

Whether you're getting your hands dirty in the soil or helping behind the scenes, every contribution counts.

You'll leave with new skills, fresh air, and the joy of making a real difference in your community.

Come grow with us—because together, we can make something amazing.

Volunteer days Friday and Saturday 11am - 2pm

During our opening times feel free to come along to the community garden and experience the beauty of nature and chat to our volunteers.

Wishing you a joyful festive season and a happy New Year!

A heartfelt thank you to all our wonderful volunteers and everyone working quietly behind the scenes this year. Your dedication, kindness, and hard work have helped our community garden blossom into the vibrant, welcoming space it is today. Every seed planted, every weed pulled, and every creative idea shared has made a real difference, and we are truly grateful for all you've contributed.

Our garden thrives because of you—because you show up, care deeply, and help nurture both the land and our community. As we look ahead, we're excited for the new projects and fresh ideas that await us in the coming year. We hope to see you all again next season as we continue growing, learning, and creating something beautiful together.
